## Special Instructions for Patients Receiving IV Sedation

*The following applies ONLY if surgery is scheduled for the first appointment*

1. Patients who will receive IV Sedation or general anesthesia must have **NO FOOD OR DRINK**, including water, at least 6 hours prior to surgery unless otherwise instructed by their surgeon. Some medications may be continued and this will be discussed at your consultation.
2. A responsible person must accompany you and remain in our office during your treatment. They must also be able to drive you home. Do not plan to drive an automobile the day of the procedure.
3. Any patient under the age of 18 must be accompanied by a parent or guardian at the time of surgery.
